

**There's a new day rising  
and it has a cleaner,  
healthier view.**

**Kleanvue®**

Crisp clear impact resistant material, produced in the USA, and made 100% BPA and DEP-free.

The VX1 sun protective lens is able to shield 100% of harmful UV rays, has an inner anti-reflective coating, and a blue-block coat to help with your everyday tech activity.

**Kleanvue®; the cleaner, healthier choice. Would you wear anything else?**
